Leader Expectations

NRG is about 'Growing Faith' in a safe positive community. Leaders represent the church at all times during the program. This is to be reflected in modest attire, appropriate language, and a polite and courteous attitude towards other leaders, younger children and their parents. No inappropriate substance abuse (Smoking, Alcohol or non-prescription drugs) is permitted.

Leaders are trained in 'safe ministry' expectations on appropriate interactions with younger children and peers. Social media is discouraged during program hours. No inappropriate access of electronic media is permitted onsite.

Thanks to our past pro-active positive environment, we have had no team issues. However, should these expectations be breached, church staff reserve the right to ask participants to leave the program.
