

A large group of diverse young people, mostly teenagers, are posing for a group photo in front of a blue and purple backdrop. They are smiling and some are holding up phones. Overlaid on the photo is the text "ANCHOR YOUTH" in large white letters, with a stylized white anchor and orange swirls to the right.

# ANCHOR YOUTH

## Anchor Recap

Hello

Anchor Youth Students and Families, this newsletter is a recap of all the awesome stuff that has been happening at anchor over the last term and what we have to look forward to in term 3!

KYCK - March 2022

NRG - July 2022

Term 3 @ Anchor

Money at Youth

## KYCK

This year, Anchor went to Katoomba during the term 1 holidays to join the annual youth conference KYCK! KYCK is an awesome youth conference where youth groups from all around the country come together to read God's word and enjoy community together. We spent time looking at the book of Phillipians where we learnt about the joy that comes from knowing Jesus as your king.

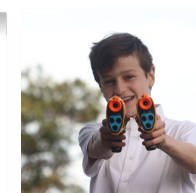

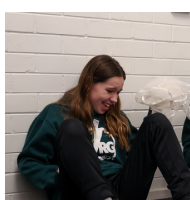

Over the last school holidays we finally got to NRG 2022!! Sadly the last few years we have been unable to run NRG because of covid lockdowns, however this year we finally got to run NRG and the wait was well worth it! At NRG we were on a mediaeval quest to discover who the true king is, and as we looked at stories from the bible we saw that Jesus is the powerful king of the universe. During the week our teeangers helped the kids at NRG learn stories from the bible by running discussion groups and helping the kids with crafts, games and other activities. Along with this the leadership group had time in the afternoon to read the passage for the next day and hang out as a team. NRG this year was a great success and we are already looking forward to NRG in 2023!

To celebrate NRG this year there is a leaders after party on the 23/7 from 4-6PM. If you were a leader make sure you come along to a great afternoon with your friends from NRG.

## Term 3 at Anchor

This term at anchor we will be spending time looking into the book of Isaiah which is a great book for helping us understand who God is and how God has come to rescue his people. Please do be praying for us this term as we look at the book of Isaiah and pray that we would learn about God and how to relate to him.

## Money at Youth group

Anchor youth group is a non for profit group partnering with North Ryde Anglican Church to reach the suburb of North Ryde with the gospel. To do this we rely on the generous support of our church community to free up our staff to work at the church and to ensure we have excellent facilities to meet at. To support this we ask that everyone who attends anchor makes a donation of \$5 every week both to provide food and resources for Anchor to run and also to contribute to the wider church mission. You can pay for the entire term online at [bit.ly/nrac-anchor](https://bit.ly/nrac-anchor) which is also got a great discount of \$4 a week. Alternatively donations can be made in cash on arrival at anchor.
